

Thank You for your interest in learning more about your handwriting and adding samples to my collection!

Handwriting Sample Collections are a unique way to learn more about the patterns involved in relating Self and Others, and the many different ways people write.

If you'd like to learn more about Handwriting Analysis, perhaps you'd like to go to a bookstore or library and get the book called *Handwriting Analysis JAQS Style*, by Jerral Sapienza (Jan 2005, LLX Press: ISBN 0971710732) which is more about working with this specific format of handwriting sample. Or order it online by visiting WWW.HWA.ORG where you can also learn more about Handwriting Analysis in general.

Thanks for your interest.

Please use your favorite pen (not pencil, felt tip, erasable ink or Sharpie) You can write in another language if English is not your native language. Don't worry about content, spelling or grammar.

Here are the **Five Parts** we need for a Handwriting Sample:

1) Four rows of digits:

1 2 3 4 5 6 7 8 9 0

1 2 3 4 5 6 7 8 9 0

1 2 3 4 5 6 7 8 9 0

1 2 3 4 5 6 7 8 9 0

2) Your Signature

3) Your Printed Name

4) A paragraph of your choice.

Preferably, just write a short "free write" paragraph... Don't write lyrics or sayings or a poem of someone else's, but just something spontaneously out of your head right now. Or something about not knowing what to write about-- that's okay, too.

5) The Date.

That's it! Thank You!

For a partner analysis, write them side-by-side below:
